"Look at this mess, you made the water fall on the floor!"

"The floor is wet and we might fall down"

"What a mess, didn't i tell you to tidy up before bed?! You never listen!"

"The toys needs to be tidied up. It's nearly bedtime"

"Tidy up, now!"

"Would you like to start tidying up the legos or your dolls first?"

"I've told you hundreds times you have to stay next to me when crossing the road"

"Your hand, please"

"Don't climb!"

"At home, we keep our feet on the floor. Let's go to the garden if you feel like climbing"

"Don't throw!"

"I can see you feel like throwing but the blocks can hurt someone. Let's choose something it's safe to throw"

"Stop shouting!"

"Indoor voice, please"
