TRY SAYING...

"I can see you want to climb. Let's put that toy down so you have both hands free"

"Be careful!"

"Do you think that branch is stable enough?"

TO SA

"There are many toys on the floor"

"This balancing beam is rather wet. Do you think it is a good idea to run on it? What do you think might happen?"

"You are going to fall"

"The balancing beam is wet!"

"How are you planning to come down once up?"

"Dammi la mano che è pericoloso"

"Sono qui se hai bisogno di aiuto"
